**Q.8. Read the passage and answer the question given below :**

The Bedach River starts in the hills of Udaipur, Rajasthan. It gives water to farms, animals and cities like chittorgarh. People call it the 'Life of Mewar' because it helps grow crops like rice and vegetables. Birds and fish also live in its waters.

In summer, parts of the Bedach dry up and villagers struggle to find water. They dig small ponds to save rainwater. But plastic bags and dirty water from homes are making the river polluted. Fish are going away and the water is unsafe. If people stop throwing garbage and plant more trees near the river, the Bedach can stay clean and healthy for everyone.
